Remove ads

• Tap on the 'Settings' icon ⚙ in the home screen then select 'Remove ads'.
• If you have already purchased 'Remove ads', and using a new device, click 'Restore'

Editing and deleting

How do I edit or delete a swimmer?
• Left swipe on the swimmer's name in the 'Swimmers' screen and tap 'Delete' *or*
• Go to the 'Swimmer profile' screen, tap 'Edit' and make changes, then tap 'Done'

How do I edit or delete a time?
• Tap on a time, go to the 'Time breakdown' screen, tap 'Edit', edit or delete a time, 'Done'

How do I edit or delete a meet?
• Go to the 'Swim meets' screen, tap on a meet, tap 'Edit', add or edit the meet, 'Done' *or*
• Go to the 'Swim meets' screen, left swipe on the meet name and tap 'Delete'

Time breakdown

How do I see the breakdown of a time?
• Click on an actual swim time or PB time *or*
• Tap on a time point (black dot) in the chart you have drawn

Can I enter lap splits manually?
• Yes, enter a stroke and distance in the 'Enter a new time' screen then scroll down
and enter each lap split. The total time will be calculated automatically.

How do I know if splits were recorded for a time?
• In the 'Swim time results' screen the word 'Splits' is written on the right side.

Share swimsync results

How do I share my swim results with another swimsync app user?
• Purchase the sharing function from the 'Settings' menu
• Tap on the 'Share' icon ⊷ in the 'Swimmer profile', 'Time breakdown', 'Meet' or 'Times' screen
and share meet results, all PBs or all results for a swimmer
• Enter the username of the person you would like to send results to, tap 'Send'

How do I know if someone has sent results to me?
• Tap on the 'More' menu icon in ☰ the home screen, usernames of the people who have sent
you results will be listed.

Graphing swim times

How can I compare my times to a qualifying time?
• In chart, select 'Options' and then add a 'custom line title' and 'custom time' (blue).
• You can compare a custom time, such as a qualifying time, to the swimmer's
last 30 times, personal best (PB, red) and goal time (green).

How can I compare my times to another swimmer in the app?
• In chart, select 'Options', activate the 'Another swimmer' button then select the 'Swimmer' from
the pull-down menu.

Stopwatch

Can I save a time from the stopwatch for a specific swimmer?
• Yes, press 'Stop' at the end of the race then select 'Save a new time – Yes'.
• Enter details of the swimmer, meet, distance and stroke.
